

Villa Sassoferrato is a beautiful **design villa** immersed in Le Marche's green hills.

Placed just 5 km from Umbria, the villa with swimming pool is the result of the fantastic restructuring of an old rural building. Quiet and panoramic views are important elements of this villa.

Ideal for a relaxing holiday or a **naturalistic** one, it also gives to guests the opportunity to visit beautiful places in a few minutes.

Innovative design solutions and **environmental carefulness** maintenance climate comfort, both during the summer and winter. The house is made warm and comfortable even with natural light and the choices of the furniture. The owners main objectives are hospitality, availability and home care in every detail. Particularly, they reviewed their space and highlighted features **suitable for guests with mobility issues**.

The villa is developed in two levels.
