

WINE & SHIATSU

Arrival to an **Hotel de charme** close to Macerata, an ancient medieval palace with a spectacular view over the sweet hills of Marche.

Wellbeing and relaxation with a shiatsu massage in the room. Wine Tasting and gourmand dinner.

Overnight at the Hotel.

SECOND DAY: CHARMING MEDIEVAL VILLAGES AND ARISTOCRATIC VINEYARDS

In the morning, guests will be delighted by the discovery of Montecosaro, one of the finest medieval village of the region. Then guests will admire another suggestive medieval village - Civitanova Alta - with its Palazzo Ducale Sforza-Cesarini, Signoria of the little Civitanova's Dukedom. At the end of the morning, the group will visit Santa Maria a Piè di Chienti, one of the Marches' earliest and most charming churches.

In the afternoon, the tour will continue with a wine **tasting session at a magnificent 16th century building** - owned by a local aristocratic family - with an estate of around 220 hectares, 70 of which occupied by the vineyard. Dinner in the restaurant, where guests will be plunged into an unspoilt and quiet nature, with its seven acres park.

Overnight at the Hotel.

THIRD DAY: HOT AIR BALLOON OVER THE SWEET HILLS OF MARCHE!

The Marche, with its landscapes of churches, parishes, castles and medieval villages hidden among the hills, creates a pattern of colours and shapes. A unique and exciting opportunity to admire this landscape from a very unusual point of view - from a **hot-air balloon**.

All participants will be divided into groups that (with the support of technical staff) will go on an unforgettable sky tour over the town of Recanati (famous for its great poet Giacomo Leopardi) and the sweet hills of the Macerata countryside.

After this group adventure, the tour will continue with a **wine tasting session and dinner** at a winery resorted by an old stately home on the hills around the city of Macerata and characterized by the magnificent exposure of its estate. The vineyards are spread over thirteen hectares whose soil is characterized by argillaceous limestone particularly suited for the production of an extremely high quality and healthy product.

Overnight at the Hotel.
