

OUTLET TOUR

Arrival at a **luxury refuge** located at Torre di Palme, a medieval village situated upon a steep dramatic cliff and called for its position "the balcony of the Adriatic".

"I greet you my Friend, enjoy the stay the owner himself has prepared for you". A long time ago, this message was carved on the threshold of this spectacular villa. It summarizes the inner sense of hospitality services and welcoming disposition present in the villa since most remote times. After being completely refurbished this architectural gem has come to life again with its present sense of warmth.
