

Ideally located **in front of the Vatican City**, a few steps from Piazza San Pietro, in a residential complex surrounded by the green, this apartment offer the comforts of a private home combined with all hotel facilities, enriched with genuine and personalized service, as independent online reviews well highlight.

Equipped with new Full HD 43" Smart TV UltraSlim, free Wi-Fi, air conditioning and wine corner with local organic wines, its layout includes a comfy open space with one double bed and one sofa-bed, kitchenette with microwave oven, dishwasher as well as 2 seater **whirlpool bathtub**, emotional shower, color therapy, Smart Hi-Fi Audio system, and a private garden.

During summertime, a **buffet breakfast** is available daily **on the rooftop terrace**, overlooking the St. Peter Basilica's Dome, where special events with "all you can eat and drink" buffet dinners often take place.

An intimate and private space will immerse guests in a sensory journey: soft lights, piped music, the bubbles of the whirlpool, infusions and teas to create a pleasant atmosphere. This metropolitan apartment is the perfect choice for **honeymoons** and every other romantic stay!
