

Vulcano Anna is a luxury apartment placed in the *amazing baroque historic center of Catania*.

This large and refined apartment is located inside a previous stately palace.

Vulcano Anna - well furnished - is located at the ground floor and it's **developed in two levels**. Through the front door the house welcome guests in a **living-room very bright and spacious**, with a large doublesofa-bed and a studio area with heat-pump. Carrying on the left, a pass-trough equipped with built-in closets brings into the kitchen and to a bathroom with shower. Instead, going on the right from the access, a magnificent staircase leads to the basement floor where is developed the sleeping area composed by a wardrobes zone realised into the spacious stairwell and - divided by a full size sliding door to guarantee guests' privacy - the bedroom - also equipped with heat-pump and a studio area. This floor is completed by an en-suite bathroom with bathtub.

This apartment - characterised by high quality finishes and fittings - has been totally refurbished following the **Feng-Shui and Bio-Architecture principles**, namely only with natural and eco-friendly materials (paints included). The furnitures - mainly composed by antique pieces - is integrated into e young and comfortable context.

A **garden** accessible from the exterior at guests' exclusive use completes this unique property.

Free wi-fi available inside the whole apartment. It sleeps up to 4 **people**.
